

Booking Terms and Conditions

Please arrive no less than 15 minutes before your activity booking time. This will allow you to order a drink before your booking and be able to start on time, ensuring there is no delay.

If you're late this time cannot be made up as we are extremely busy and our bookings run back to back. Where possible, please let us know in advance if you will be late.

For any unique bookings (bookings of large parties, venue hire, wedding receptions) you can enquire with us through the booking links or send us an email.

We operate a 7 day cancellation policy. If you need to cancel or change your booking please let us know 7 days in advance of your booking date and time. You may still be required to pay your deposit if you cancel within 48 hours notice.

Your activities 'deposit' covers the whole cost of your booking. Nothing is due back to you on the day; your booking is 100% paid for. All that will need to be paid for on the day is additional food and drink.

Table bookings of 6 or more people will require a deposit of £5 per head. This will be taken off your bill on the day of your booking.

Retro games are not bookable.

No under 18s in the venue after 8pm. If you bring children to a booking they will be asked to leave at 8pm, your booking will be non-refundable.
